

The End of Time & History (rev.1)

All Roads (Beliefs, Science, Philosophy, ..) Lead to Rome(6)

Reality is merely an illusion, albeit a very persistent one.

I am well aware that I have no special talent; curiosity, obsession and stubborn endurance, combined with self-criticism have brought me to my ideas

The only Solution for All(ah!) is Caring Solution!

Caring Solution®

Blue Swan Management:
Serendipity & Efficiency Technology in Project Management
 Systematic Revelation of the Unknown Unknown in time for the project's & your benefit.
 Profit (ROI) as the base of Safety, Security, Health & Quality (of life)

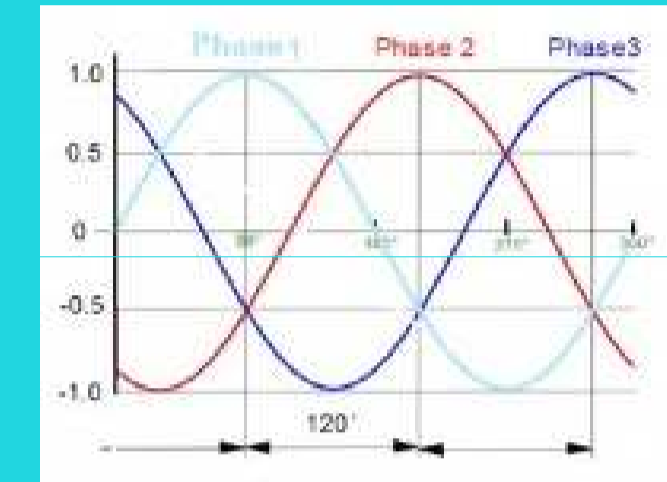

Einstein was once asked how it felt to be the smartest man alive. Einstein's reply was "I don't know, you'll have to ask Nikola Tesla."

Revelation assumption

Nikola Tesla , The Wizard of Transylvania:
 "If you only knew the magnificence of the 3,6 and 9, then you would have a key to the universe."

Revelation assumption: In eternity all exists. You just have to reveal it. (Now systematical possible with the Blue Swan App)

Tesla's -> 3-phase alternate current (1893) + Generator gave light to the world

And now 123 years later via his (1) Revelation Assumption, (2) Everett's III Multi World Quantum Mechanics and (3) Alfred's Blue Swan App-> give light to our Minds

Love! (the end of competition which is not efficient)

The Quest was laid in the Patmos Cave (in the year 99?). Alfred's curiosity awoke in 1999 because his mother always said: "Don't eat like a Beast boy" when he growled while eating her delicious food. He only looks at her and both laughed ☺ So "blame" this all on the Mother ☺

The Blue Swan App is like riding a bicycle , learning by doing & with a little help. Once you can it's easy.

The Blue Swan App (with Organization Intelligence measurement) as a Multi World Controller for Personal & Projects use.

Original plan in 2001 was end of 2030. Now (Sep-16) set on end of 2017. Work & Entertainment Anyplace, Anywhere, Anytime. All in Alfred's mind ready to (rock and) roll out.
